I. Minimum Shift Requirements

a. All members are required to complete a minimum of 72 48 hours per month of shift requirements in order to maintain active "Combat" member status. An active "Combat" member is considered to be a member meeting their minimum shift requirements of 72 48 hours per month and also meeting the minimum training requirements of 9 hours per month. The basis for this shift requirement is to maintain firefighter competency levels and avoid any safety issues.

II. Minimum Training Requirements

a. The minimum training requirements are seven (7) hours of Hands on Training (HOT) per month per member plus two (2) hours of online training per month per member through the Fire Rescue One website issued by the departments Training Officer. Members that do not meet their minimum training requirements, as stated above, must either show proof of an approved Hands on Training course or attend daily trainings at either Station 24 or 25 with OIC approval.

III. Non-Compliance Policy

a. Any members not satisfying the minimum shift and training requirements per months will receive a letter from the Key Largo Fire Corporate Board stating that you have been removed from the membership/roster. At such time, a member will have 1 month (30 days) to appeal to the Board of Directors for reinstatement as a member. Once the appeal period has been exhausted a member will receive an exit letter from the Corporate Board and will no longer be on the department roster. Any members taken off the department roster (for purposes stated above) will have the ability to re-apply to the department at the next open volunteer testing process.

- b. Any member that is on a Leave of Absence must complete their 9 hours of training via the online website (Fire Rescue One Academy) provided by the Department in order to ensure that members receive the required training per the State of Florida, ISO, and NFPA.
- c. The Fire Chief or Corporate Board can grant medical leave to any member on an as needed basis. If any member needs to go on medical leave, they must send an email to the Fire Chief and Corporate Board President detailing the reason for medical leave request.
